Help Protect Your Community! Donate a Dollar-a-Door.

The Michigan Legislative Action Committee (MILAC) is a volunteer committee of the Community Associations Institute (CAI), consisting of homeowners and professionals serving community associations.

CAI-MI Legislative Action Committee works toward legislative solutions that protect Michigan community associations like yours from bad legislation that would hurt the community association housing model and restrict your rights. You can help the legislative action committee by contributing a "Dollar-a-Door or More" from your association.

We need your help in passing legislation to ensure that condominium documents do not automatically expire!
